Train the Trainer and Coaching Guide

- ❑ Three modules / two phases/ 45 hours
- ❑ Online training (May/June 2022) and Face-to-Face Lithuania (September 2022)
 - Module 1 (15 hours): Introduction to SEL, the importance of emotions, and how to identify and manage them through a team coaching approach.
 - Module 2 (15 hours): shifting perspectives and identifying others' emotions, and helping others manage them inclusively within a team.
 - Module 3 (15 hours): making a commitment to lasting change in the whole schools through a SEL systemic approach.

Train the Trainer and Coaching Guide

TO DO

Selection of participants according to:

- 1) English language competence level
- 2) former experience of teachers' trainer (at least one tutor within each group will be appointed)
- 3) former involvement in other inclusion-based projects already developed in their own schools
- 4) Motivation and interest in Social Emotional Learning
- 5) attitude to experiment and apply innovative teaching methodologies and approaches
- 6) willingness to be SEL ambassadors to their colleagues
- 6) capacity to adapt the material to their national cultural and educational context
